

## *Treatment Agreement*

*Payment for dental care is due and payable at the time services are rendered.*

*We accept Visa, Mastercard, American Express and Discover payment methods.*

**INSURANCE:** Insurance is a benefit provided to employees by their employer to assist in obtaining medical and dental care as needed. Insurance does not usually pay for the entire cost for procedures you may need. Dental plans typically pay for preventive visits, x-rays and cleanings. The patient is ultimately responsible for the full payment of any and all fees for services provided by Brogdon Dental PC.

We file your insurance as a courtesy. You are responsible for any balance not covered by your insurance, including any amount that exceeds your insurance company's usual, customary and reasonable (UCR) rate.

*Please be assured my staff does everything possible to help you obtain the entire insurance benefit to which you are entitled.*

We do not wait to see what insurance will pay. We estimate what the insurance company will pay and the patient will be responsible for the estimated difference the day we begin treatment. If the patient's portion for the treatment plan is over \$1000.00, see Tina for outside financing options.

If we finance in office, we will do a credit check, and there will be a service charge of 18% APR added to any outstanding balance.

All payments are due in our office no later than the tenth of the month. There is a \$25.00 service charge on all returned checks.

There is a charge of \$35.00 for all appointments cancelled or rescheduled without sufficient notice — at least 48 hours. We understand there are emergency situations that may arise and we provide a 24-hour on call service for your benefit. The phone number is (423) 605-7009.
